Parichay'21- Freshers' Welcome of MBA (Day) Batch 21-23

To give the Junior MBA Day Batch of 2021-23 a long overdue warm welcome, the CR-SR Committee of MBA Day 2020-22 along with the senior batch, organized “Parichay-2021 , the Freshers' Welcome” at the premise of the prestigious institute.

The event was conducted in IISWBM Auditorium on the 3rd of April, 2022.

The theme for this year was ‘Films and Web series’

It was a Sunday, full of brilliant performances with song, music, dance, recitation and skits were scattered all over the day between various games.

Each of the performers dazzled the audience with their magic.

The event witnessed a showcase of talent from both the Junior Batch as well as the Senior MBA (Day) Batch.

Following the Freshers' welcome tradition of MBA Day, Each junior had a pre-selected partner from the senior batch who would give them a task to do. The task given by senior partners was that the juniors have to dress up as different movie or web series characters as asked by their senior partner and enact like them on the stage. This round was also followed by a Dumb Charades round and then finally 10 juniors (5 girls and 5 boys) qualified to the Mr. and Ms. Fresher Round.

The final round was that of a Quiz and Ramp Walk from which the final Mr. and Ms. Fresher were selected.

Mr. Fresher Title was awarded to Mr. Arnab Kumar Das and Ms. Fresher crown was wielded by Ms. Disha Sinha.

Various other awards categories were there to encourage the performers and winners of the games.

Somewhere it was also the celebration of the missed out Freshers' of MBA Day 2020-22 due to the pandemic.

Overall Parichay'21 was a grand success and after two years of “New Normal”, it was really nice to have an offline event at the college in the Old Normal way.
